A HOLIDAY MESSAGE

John J. Lynch, Jr.
President, GPNA

'Tis the season!!

Seems like only yesterday we were wishing each other "Happy Holidays", and now here they come again. As fast as the years continue to fly by, it's still nice to have the opportunity to share the holiday season with friends and family. With that in mind, I would like to wish a very happy holiday season to all my friends in the Gifford Park Neighborhood Association!!

The last year has seen many changes take place in our neighborhood, thanks to the continued hard work of much of the GPNA membership. We have seen tremendous initial results from a number of GPNA committees, whose members have consistently shown their dedication to their neighborhood and their neighbors. Sometimes this work may seem to go unnoticed, but I can assure all these fine folks that their efforts ARE noticed by the many individuals that live and work within our boundaries. You see, the work being done by our membership is not seasonal - it requires attention the year 'round.

The Gifford Park Neighborhood Association continues to expand the range of projects that benefit the entire area, and with this expansion comes the need for others in the community to offer their time and assistance to make this organization work. As you celebrate this holiday season, please consider the possibility of your involvement in the GPNA organization. There is certainly a place for everyone that would like to participate in all seasons.

May you and your families enjoy the best of holidays for this season and all the seasons to follow!!
