Gifford Park Neighborhood: A Great Place to Live, Work, Learn and Play

September 2003

A Publication of the Gifford Park Neighborhood Association

Second National Night Out-GPNA Block Party Fun For Everyone

The Gifford Park neighborhood celebrated its second annual National Night Out Block Party on Tuesday evening, August 5. 33rd Street from California to Cass Street was closed to host a variety of activities that included something for everyone. The GPNA worked with a number of organizations to provide an event focused on safety, health, neighborhood and local business promotion, and a lot of fun!

Briefly, here are just a some of the many highlights of the evening: Long-time GPNA member **Chuck Kilgore** once again dazzled the crowd with his band's jazz music, the rock-climbing wall was awesome (**City of Omaha**), **Big Air Bros** provided two inflatable rides – a moonwalk and an obstacle course, **Loren Johnson** arranged the hot dog wagon and all proceeds were donated to the GPNA, **Dale Robinson** showcased several classic cars and a motorcycle, **Gordon Bunn** organized the very successful hoop-it-up basketball tournament, **Glenn Burns** shared his artist's talent with many neighbors by having people of all ages paint on two sheets of plywood – we still hope to display the paintings in the area, the **Condors Marching Band** gave a wonderful performance of drums and dance

continued on page 4

As Chuck Kilgore's band plays in the background, California Bar owner Lilly Estes chats with Mayor Mike Fahey. The block party officially began with the Condors Drill Team marching down 33rd Street.

Next Meeting

Thursday, September 4

Morrison Seminar Room

Listen To The Music!

The GPNA has a great way for you to enjoy the Labor Day Weekend (the last "official" weekend of the summer) - bring your lawn chairs & blankets, and some snacks and beverages, and head down to **Gifford Park on Sunday evening, August 31st**. **Bittersweet**, a band that specializes in classic rock music, will be playing in the park from 7 to 8 p.m. The GPNA and the **Omaha Musicians Union** are sponsoring the event. The forecast for this weekend is for cooler weather, so it should be a great evening for this concert. See you in the park!

From The President . . .

We live in older homes, in an established neighborhood. There is both charm and reality in that statement. My house will celebrate its 90th birthday next year. When we bought the house 8 years ago, college kids had lived in it for a year. The family prior to them lived in the house for 40 years. That means that the house was already 40 years old when they moved in.

I remember the first time I walked through the house. All the woodwork was painted; the walls were various shades between yellow and green. It was as if they bought two buckets of paint and kept mixing different amounts to get the color they wanted. I was ready to move on to another house, but Vicki saw potential. Now all the green/yellow is gone from the walls, except for one room—my office. We have done a lot, but there is still much to be done in order for the house to reach its full potential.

Your home also has charm. That is why you moved in. What was it that caught your eye? Was it the front porch, or the beautiful woodwork? Maybe it was the wood floors or a stained glass window.

Maybe you saw potential and are working vigorously to make your home a beautiful place. That is where reality hits. Old houses can be a lot of work. It can be overwhelming.

Over the next few months, we will be bringing speakers to our association meetings to address old home issues that are relevant to us all. Thursday, September 4, we will have **Don Browers**, known as “The Old House Mechanic” join us. He has a PowerPoint presentation he will share with us, called, “The Eleven Ruthless Rules of Old House Renovation.”

Later this fall, we will bring speakers who will address interior design issues, landscaping and trees. All of these are designed to be relevant to you and to your needs. I invite you to join us. That is what an association is about - joining together to discuss what is important, and finding support and encouragement to make life in Gifford Park better.

by Ron Frey

Editor's note: If you have something that would be of interest to our neighborhood, we encourage you to submit an article for our monthly newsletter. Editorials must be approved by the GPNA Executive Board. Articles can be left at the GPNA Office; please include your name and phone number. Contact Sue Wilwerding (342-2795) or Chris Foster (342-6006) for information regarding the newsletter.

Community Garden Garage Sale Set For Saturday, September 20

The Gifford Park Community Garden will be sponsoring a garage sale on Saturday, September 20, from 9 am to 3 pm at its 3416 Cass St. location. If you have usable items lying around the house, please consider donating them to the sale, which will benefit the Community Garden. Arrangements can be made to have the items picked up. Donated items will be accepted from September 14-18. You may call Neil Liberty at 933-1960, or Chris Foster at 342-6006 for this service.

Neighborhood Loses Native Son, Successful Businessman

The Gifford Park neighborhood lost a prominent long-time resident and one of its most ardent supporters when **Tom Bogard** succumbed to cancer on August 10th at the age of 70. Tom was the owner of the California Pharmacy, which was located on the southeast corner of 33rd and California St. (now California Tacos & More, run by Tom's son **Brad**).

According to an interview in October of 1995 for the **Gifford Park Pride**, Tom was the youngest of Emilie and Frank Bogard's nine children, and they lived at 325 North 35th Avenue. Tom, a Korean War veteran, graduated from the Nebraska School of Pharmacy, and his other brothers were pharmacists as well. The California Pharmacy, built by Tom's father in 1914, was run by Tom's brother Frank until he was shot in March of 1976 during an attempted hold-up. Tom ran the pharmacy until it closed in 1987.

In speaking of his father, Brad said that the Gifford Park neighborhood was "part of him", and that he had seen many changes over his lifetime, both good and bad. When Brad was considering where to open his restaurant, however, the neighborhood had no better salesman than Tom, who could see the benefits and potential for the 33rd & California location. According to Brad, Tom felt the permanence and longevity of the neighborhood were reasons to be optimistic for the future, and that he had hoped to see its revival complete.

In addition to Brad, Tom is survived by his wife Marian, 6 other children and their families, a brother and sister, and many other family members and friends. Donations in Tom's memory can be directed to St. Margaret Mary Church, 62nd & Dodge St., 68132, or to the Twelve Step House, 7306 Grant St., Omaha, NE 68134. The GPNA will certainly miss Tom and sends its sincere condolences to the Bogard family.

Tom and Brad Bogard

Destination Midtown Update

The Destination Midtown "Charrette" Workshop started on Monday, August 25, 2003, at the Blackstone Hotel. The weeklong design process commenced with a review of the strengths and weaknesses of the midtown area, and a look at the goals to be accomplished.

We in Gifford Park are part of a larger context that has many similarities. Many of the great things and also the frustrations of our neighborhood are shared with other associations, such as Leavenworth, Ford Birthsite and Joslyn Castle. The goal is to enhance the opportunities of our community and set strategies to offset many of the threats that face us.

The initial design process brought discussions between designers, businesses, and neighborhood residents regarding the arteries and corridors through the Midtown area. Connecting green spaces and making neighborhoods more walkable are being examined. As of this writing, only the first day of the workshop is complete, and already some intriguing ideas are starting to surface.

National Night Out Block Party . . . continued from page 1

on 33rd Street, a firetruck and the Mobile Command Unit (with the Mayor, Police Chief and Fire Chief) came by, **Jim Wilwerding** provided everything for the always popular water balloon contest, there was face-painting and other hands-on kids activities, Dear Heart Clown (**Judy Quest**) made animal balloons and was a huge hit, and how about the event signs on the street and overhead to add to the festivities!

We had many tables setup for safety, health, and education including **Project Healthy Start**, **Creighton University Medical Center**, **Charles Drew Health Center**, and GPNA information. A big thanks to the **Omaha Public Works Department** for use of traffic cones and cleaning 33rd Street prior to the event.

A big thanks to our neighborhood partners who made generous donations which made some of our activities a reality – **Creighton University Medical Center**, **Mutual of Omaha**, **Security National Bank**, and **Kiewit Construction Company**.

We wish to thank the following organizations and individuals for their help and support - the Northeast Precinct (Captain **Thomas Warren** and Crime Prevention Specialist **Stacy Henry**), **Judy Johns** with the Community Resource Center, who lined up the Firetruck and Mobile Command Unit and a few of the safety activities, and City Councilman **Jim Vokal** & his wife **Liz** who attended and enjoyed the event.

And finally, because there were many volunteers before, during and after the event, we don't have room in this article to name everyone. However we would like to recognize the extra efforts of those who went above and beyond the call of duty – **Ron & Vicki Frey**, **Darryl Hutton**, **Terry & Sue Wilwerding**, the **Slyden family** (**Betty**, **Tyffaney**, **Kayleen**, **Jacob**), **Jim Wilwerding**, **Chris & Sallie Foster**, **Jenny Foster**, **Jan Franks**, **Brittney Rubek**, **Tom Lebeda**, **Chris Thoms**, **Brad Bogard**, **Lilly Estes**, **Pastor Mary Sherman**, **Lloyd Canfield**, and **The Wolf House**. The Gifford Park neighborhood showed again why this is a very special neighborhood...and that we know how to PARTY!

Top left: the 3-on-3 street basketball tournament was once again a popular event.

Bottom left: some of the neighborhood kids enjoying the inflatable rides

Top right: The rock climbing wall provided by the Parks & Recreation Department was a big hit with all the kids

Bottom right: There was a long line all night to visit Dear Heart Clown and receive one of her colorful balloon animals

Destination Midtown . . . continued from page 3

There is still an opportunity for your voice to be heard! Neighborhood workshops will be organized later in September for the specific purpose of examining the unique issues that Midtown neighborhoods have. Stay tuned for your opportunity to see the process at work and to provide your input.

by Ron Frey

EDITORIAL CORNER

The views and opinions stated are not necessarily those of the GPNA or the Executive Board

Destination Midtown

Whether by design or evolution the Gifford Park area has become a catch-all for the great underclass, something needs to be done to help those who want to step up. Destination Midtown needs to address these concerns; otherwise, no matter what's being done, the problem areas of Park Ave. and 33rd & California will still be there. The Med Center, Mutual Of Omaha, and Creighton University have demonstrated that they can take care of themselves. But, if they wish to conduct their business in a better environment, they need to help improve the area. The question that needs to be asked is how many of your employees live in the midtown area? How many of these employees hold entry-level jobs like grounds keepers, housekeepers, and food service workers? Let your human resource departments have a job fair that targets the areas where there is a need. In conclusion, a rising tide floats all ships; how much water will we see at 33rd & California?

by Ron Yates

Wheel Tax Enforcement

During July and August, the Omaha Police Department carried out a wheel tax enforcement operation. Please let new neighbors on your block know that:

- New residents moving into Nebraska must obtain Nebraska license plates within thirty(30)days
- Nebraska residents moving into Omaha may use their plates until they expire, but are required to pay the City Wheel Tax within 15 days.

College Students: Welcome To The Gifford Park Neighborhood

We have a large number of university students living in the area who have returned for another year of school. The Gifford Park Neighborhood Association has been working very hard with the city and police to improve the appearance and safety of our neighborhood. The goal of the GPNA is to improve the neighborhood and make it a better place for all residents, and we would ask our new student neighbors to become a part of this effort.

The largest part of being a good neighbor is consideration for others. First we ask students to be considerate in terms of noise, especially after 10:00 PM. Many families in our neighborhood have children or go to work early. Parties are another problem. Unfortunately, parties always seem to end up bigger and noisier than first planned, and the police have been more active in enforcing noise and underage drinking ordinances. Another difficult problem is parking. Our neighborhood has barely enough parking (like school), so you may not always be able to park directly in front of your residence. Please do not park on lawns, across sidewalks or on the wrong side of the street (facing traffic). Besides making the neighborhood look bad, all of these are parking violations. Also, please do not litter and help us to keep our neighborhood picked up. Many of us pick up trash that we did not leave and we ask that you would help us by doing the same.

Finally, consider coming to one of our meetings and perhaps joining our Association. A \$5.00 yearly membership will get this newsletter delivered to you every month, and you will meet your neighbors and many other wonderful people during our activities such as the neighborhood clean-up (we can always use more help), holiday events, and walks. We welcome the students for the upcoming year, and we hope that you will help us continue to make the Gifford Park neighborhood a better place to live.

Community Garden Update

Despite the very dry and hot weather in July and August, the community garden is holding up well. We have 21 individual garden plots rented this year and some different flower theme gardens also doing well. We have added a Peace Pole near the front of the garden. A Peace Pole is a hand-crafted monument that displays the message "May Peace Prevail on Earth" on each of the six sides in different languages. There are more than 200,000 Peace Poles in 180 countries all over the world dedicated as monuments to peace. On July 26 we had a dedication event in the garden in which the message was proclaimed by a person in the different languages – English, Spanish, Sudanese, Vietnamese, German, and Hebrew. We also had bird-house building, face-painting, hand-son planting, "Ask the Master Gardener", and healthy refreshments. The **Sinsinawa Dominicans** collaborated with the **Dominican Sisters of Saint Catharine, Kentucky** to help with funding of the Peace Pole. We also thank **Chuck Blanchard** of the **Douglas County Extension Office, Indian Creek Nursery, City Sprouts Community Garden**, and many volunteers from the GPNA for helping out with this event. Special thanks to **Mark Martin** and **Micklin Lumber** for doing a very nice job of making the Peace Pole – it looks great! We invite anyone to stop by and check it out at **3416 Cass Street**.

We would like to thank **Wild Oats Natural Marketplace** for donating \$175 for our garden from their Wooden Nickel project where customers donate money toward various community projects they feel are worthwhile. Thanks to GPNA Vice-President **Cynthia Shuck** who arranged this with Wild Oats.

In early August, GPNA members **Sister Joan Miriam Glaser, Cynthia Shuck, Diane Kaye, Kate O'Brien, Rob Parolek, and Chris Foster** attended the American Community Garden Association Annual Conference in Chicago. **Louise Latimer** and **Joe Pettit** from the City Sprouts Community Garden also attended. We learned a lot about some of the great urban greening projects in Chicago as well as many other cities. It is very apparent to our group about how committed the City of Chicago is toward greening and gardens, starting at the top with Mayor Richard Daley. It's interesting to note that Chicago has done a lot of greening in just the last several years – from rooftop gardens (including City Hall) to flower gardens in and along downtown streets. We learned about a non-profit program that acquires property on behalf of community groups to preserve open space for community gardens. There are about 15 or so organizations supporting community gardens in Chicago. We participated in workshops, took tours and shared experiences with others. Much of the funding for this conference was provided by a grant from the **Jonquil Earth Education Fund** from the **Dominican Sisters of Saint Catharine, Kentucky**.

Joslyn Castle To Celebrate 100 Years At Fall Festival

Friends of Joslyn Castle and the Joslyn Castle Neighborhood Association will celebrate the magnificent contributions of George and Sarah Joslyn to the Omaha community and the 100th anniversary of the completion of the magnificent Joslyn Castle, 3902 Davenport St., on Sunday, September 21, with a Fall Festival. The grounds of the Castle will become an early 1900's carnival of fun for the young and the young-at-heart. There will be games, pony rides, antique automobiles, puppet shows, birthday cake and ice cream, historical lectures, strolling actors, and tours of Joslyn Castle. The event will be topped-off by a wine tasting party in the grand foyer of the Castle. The Festival will begin at 1:00 PM. Joan Hennecke of The Brigit Saint Brigit Theater Company will serve as Sarah Joslyn. Howard Hamilton will give historical lectures in the Music Room relating to happenings in Omaha in 1903 at 1:30 and 3:00 PM. Cost is \$3 for adults, \$2 for children. All children 2 and under are free. The festivities will end at 4:00 PM. The wine-tasting party is a fundraiser for the Friends of Joslyn Castle. Wines from merlot to chablis will be reviewed by Denny Lewis of Spirit World. Cost is \$25 per person and will take place from 6:00 - 7:30 PM. For reservations to the wine-tasting party, phone 291-2802.

10th Annual GPNA Tennis Program Highlights

This year's GPNA Tennis Program, held in Gifford Park, was the 10th annual and the biggest, and probably had the hottest weather too. We had at least 15 instructors for each of the four sessions in August and averaged over 70 children per session. As in the past kids were divided into age groups so they could learn each of the basic tennis skills. The kids then used their practice skills to win prizes during target practice at the end of the sessions. With the number of participants, we used the basketball court and set up mini-nets for the younger kids. The last day featured awards and a tennis party. Special recognition goes to the winners of the annual Sportsmanship Award – **Robert Buckner**, age 14, won the award for the boys, and **Anayeli Reyna**, age 10, was the girl's winner. A BIG thanks goes to **Godfather's Pizza** again this year donating 15 pizzas for the event! Neighborhood volunteers made delicious treats. Many thanks go to all the instructors – **Bob & Nancy Gaarder, Roger Freeman, Laurie Bolte, Jack Mallett, Donna Walter, Vince Emory, Jackie Foster, Willie Foster, Jenny Foster, Chris Foster, Jacob Slayden, Ed Hubbs, Cammie Hubbs, Paul Johaneck, Jane Hines, Eric Hines, Richard Gonzales, Chris Seitzer, David Vosberg, John Maher, Brian Kokensparger, Sharon Reefe, Julie Wilwerding, Dan Sloboth, Kerrie Sloboth, Jeanna Coalson, and Kirk Peck**. Special thanks go to **Jan Franks, Brittney Rubek, Bette Tanner, Betty Slayden, Tyffaney Slayden, and Kayleen Slayden** for helping with registration, prizes and serving food. Thanks also to the **Omaha Tennis Association, the United States Tennis Association (Chris Raymond), and the City Parks & Recreation Department** for their generous support over the years. Special thanks to **Jane Hines** who had some great ideas this year and was also featured in the **Omaha World-Herald** sports section teaching here in Gifford Park. GPNA members **Jim Wilwerding** and **Terry Wilwerding** were a great help during the finale when things got quite busy. My wife **Sallie** worked very hard behind the scenes to help prepare before each session – thank you! **Sallie, Rob Parolek** and myself added another 8 feet to the existing tennis backboard – that makes for a 24 foot wide backboard for practice. If any children who participated in the tennis lessons are interested in more advanced lessons this fall, please contact **Chris** at 342-6006.

Sudden Infant Death Syndrome

During May, the Omaha Police Department's Child Victim Sexual Assault Squad investigated five child deaths that were classified as Sudden Infant Death Syndrome (SIDS) cases. SIDS is the leading cause of death in infants less than one year of age. All of the recent cases in Omaha involved infants under the age of seven months, with one infant being only four weeks old.

No one can say any of these deaths could have been prevented. I do feel that the Omaha Police Department has a responsibility to our citizens to make them aware of the potential risk factors. There was at least one SIDS case in each of the four precincts of the city during May.

A press conference was held at **Children's Hospital** to advise parents and caregivers of the risk factors that put infants at greater risk of dying from SIDS. **Dr. Jay Snow** of Children's Hospital advised that babies who sleep on their stomachs or sides are several times more likely to die of SIDS than babies who sleep on their backs. Other risk factors include babies whose mothers smoked during pregnancy. These babies are three times more likely to die from SIDS, and babies whose mother or father smoke are at double the risk. Another possible risk factor noted during the investigations is infants sleeping with adults who may inadvertently roll onto the baby.

I encourage every parent or caregiver to put their baby to sleep on their back to reduce the risk of SIDS. Infants should be protected from second-hand smoke, and should not sleep in bed with anyone.

*by Lt. John Ewing, Youth Services Unit
Omaha Police Department*

What's Happening In The Neighborhood . . .

A City Council District 3 meeting is scheduled for **Monday, September 8**, at **7:00 p.m.** at the **Southeast Police Precinct, 2475 Deer Park Boulevard** (25th & Vinton St.). **Bob Peters**, who is the City Planning Director, will be the guest speaker. Items on the agenda include new code enforcement and other city planning issues as well as continued discussion of issues important to the District.

Gifford Park residents: hold on to your household hazardous waste just a little while longer, because the construction ground-breaking ceremony for the long-awaited **Household Hazardous Waste Collection Facility** took place this June. The facility, located at **4001 South 120th St.** is scheduled to open early in 2004. Household hazardous wastes, which previously had to be stored or were disposed of improperly, can be taken to the collection facility in the very near future. You will be able to clean out your basements and garages while cleaning up the environment, too.

The Dundee neighborhood will be celebrating its annual **Dundee Day** on **Saturday, September 27th**, from **8 a.m.** to **4 p.m.** Some of the planned events include a pancake breakfast, art tent, craft vendors, history tour on Ollie the Trolley, street parade, evening music, inflatable and fun rides, magician, and antique bike collection. In addition, a silent auction will be held from **noon to 3 p.m.** at **Wheeler's Restaurant, 50th and Underwood Ave.** Dundee merchant receipts will be used as "Dundee Dough" in the silent action bidding (no cash will be accepted). For more information, call **Karen Schrader** at **Dundee Hardware, 554-0821.**

October 18th is Date For Fall Cleanup

The GPNA will be holding its annual Fall Cleanup on **Saturday, October 18th**, from **9 am to 1 pm.** in **Gifford Park.** There will also be a "pumpkin patch" - pumpkins will be available for the youngsters who'd like to have one for Halloween. The Fall Cleanup is a **MEMBERS ONLY** event, so this would be a great opportunity to join or renew your membership to the GPNA now. More details will be available in the October newsletter. If you want to volunteer or if you have any questions, please call **Ron** at **344-0757** or **Chris** at **342-6006.**
